List of courses addressing Global Needs:

Course Code	Course Title	Brief Justification
UR23402CR	Literary Translation Theory and Practice	Translation is a real-life, natural activity and increasingly necessary in a global environment. Translation industry is considered one the fast growing industry in the contemporary world. We can put our master pieces of literature before rest of the world only by way of translation them in to other languages especially in English.
UR2340DCE	Literary Theory	It is literary theory that formulates the relationship between author and work; literary theory develops the significance of race, class, and gender for literary study, both from the standpoint of the biography of the author and an analysis of their thematic presence within texts. therefore, literary theory is the way of contemporary critical appreciation of text at the global level. Need of the hour is to abreast our students about it.
